'TRY YOUR BEST IN EVERYTHING YOU DO'

Respect Friendship Forgiveness Determination

Dear Parents and Carers,

I have been quite overwhelmed with the fantastic start I have had to life as the Headteacher at Crayke CofE Primary School and feel so lucky to be here. I am so impressed with the confident, articulate nature of your children; particularly how well they co-operate, share and take turns. This extends not only to the classroom, but also at lunchtimes and playtimes. It has been lovely to see many of you on the gate in the morning; thank you for your friendly welcome and I look forward to getting to know you all better over the coming months. Visitors this week, including prospective parents, have commented on the "buzz" of learning in classrooms and the vibrant feel around the school. Please read on to find out more about what has been going on in school this week and what's to come in the weeks ahead. It promises to be an exciting term!

Highlights of the week

In **Class 1** the children have been learning about shapes and were busy exploring what a sphere is (and isn't!) and Mrs Sheppard and Mrs Helfferich were thrilled with the children's independent writing about her poinsettia.

In **Class 2**, it's all been about the seaside so far and the children have begun exploring what they enjoy about the beach and things they might not yet know about the sea.

Class 3 have been immersed in geographical skills already this term and enjoyed looking at maps of Europe as a launch to finding out about volcanoes, earthquakes and mountains.

Class 4 enjoyed a Stunning Start to the week, thinking about where they would like to go on a journey and dressing accordingly. There were some fabulous costumes! Thanks for your support with this.
