'TRY YOUR BEST IN EVERYTHING YOU DO'

Respect Friendship Forgiveness Determination

Dear Parents and Carers,

It's safe to say that this week has been a steep learning curve! I have been in awe of everyone's capacity to take on new systems, ways of learning and teaching and getting to grips with the technology – even when it hasn't been easy. You are all fabulous and have shown yourselves to be determined, resilient and flexible – thank you. Also, thank you for all your lovely, supportive comments and feedback. Every day is a school day and we're all in this, learning day by day together! We also know that you are all doing your best, and that is all we can ask at this time.

Keeping Active Competition

Mrs Helfferich has extended the deadline so you now have until **31 January 2021** to submit your active photos. Please email them to class1@crayke.n-yorks.sch.uk – we can't wait to see what you have been up to.

Deadline – school applications new starters September 2021

A final reminder that **TODAY** is the deadline for applications if you have a child due to start Reception in September. Please apply directly to NYCC via this link:

Remote Learning

Most are now familiar with how to access the site but a reminder to go **via the school website** and to click on the relevant link to access the page you need:

CLASS 1 – <https://sites.google.com/crayke.n-yorks.sch.uk/class1homelearning>

CLASS 2 – <https://sites.google.com/crayke.n-yorks.sch.uk/class2homelearning>

CLASS 3 – <https://sites.google.com/crayke.n-yorks.sch.uk/class3homelearning>

CLASS 4 – <https://sites.google.com/crayke.n-yorks.sch.uk/class4homelearning>

WHOLE SCHOOL – <https://sites.google.com/crayke.n-yorks.sch.uk/craykewholeschoolsite/home>

It is important that your child checks for their feedback (accessed via clicking the button on the red banner at the top of their class page) and that they respond to messages from school staff where necessary. We are aiming to provide personal feedback ("known as a **private comment**") for each child for core subjects and a general "**class comment**" for topic work. On occasions work may be "returned" to children – this is nothing to worry about and is a normal part of the children having the opportunity to revisit or build on previous learning. You may find it easier to access the feedback by clicking on "Classwork" rather than "Stream".

Collective Worship

To access these resources, including today's Achievement Worship, please make sure your child is signed into their google account and then click on the Collective Worship tab via this link

Free School Meals

We believe that the national voucher scheme is launching next week and have been in touch directly with the relevant families. We don't want anyone struggling at this difficult time; please contact us if you need support.

Safeguarding

A reminder that should you have any concerns about a child, please contact myself as Designated Safeguarding Lead on headteacher@crayke.n-yorks.sch.uk
