Dear Parents and Carers,

### Message from Mrs Jackson

Thank you all for the good wishes, kind messages and thoughts, offers of help, cards and gifts which I have received this week following my surgery. Also, I'd like to extend a huge thanks to the staff team for stepping up and covering this week, as well as to the governors who supported during parent consultation evenings. I am recovering well at home and can't wait to be back at school after half term! Wishing everyone a lovely and safe holiday.

### Parent Consultation Evenings

Thank you for your involvement in the meetings this week... if there is anything you want to follow up with Mrs Jackson after half term, please contact Mrs Bacon to make an appointment.

### The Blue House Bookshop – Pop Up Stall

We were delighted to welcome back our local independent booksellers - The Blue House Bookshop, who are located just around the corner from York Art Gallery on Bootham. It is always lovely to hear the children get excited about books. Thank you to the parents and carers who supported the stall, with a percentage of their sales going back to the children in the form of more wonderful books! Karen from the Blue House Bookshop was also very impressed with the competition entries that we handed over and she will announce the result after half term.

### Replacement Reading Diaries

We are extremely grateful to GH Smiths in Easingwold who recognised that the original covers for the Key Stage 2 reading diaries weren't as tough as we wanted them to be. They very kindly reprinted all of them for every child in Holly and Oak Class, with CHASA also offering to supplement this with the addition of protective plastic covers.

There is a 'reading challenge' for every child to enjoy over half term and a dedicated page for them to jot down any reading they do during the holidays, too. As always, many thanks for supporting your child with their reading and for signing their reading diaries each week.

## FINAL Reminder – Secondary School Applications **deadline 31 October 2022**

If your child is currently in Year 6, the deadline is fast approaching for you to complete the application for Secondary School. [www.northyorks.gov.uk/admissions](http://www.northyorks.gov.uk/admissions)

### Staffing news

Yesterday we bid farewell to Mrs Bower. Mrs Bower has worked at Crayke School for over 4 years and she will be greatly missed by staff and pupils. We wish her all the very best with her future ventures. Her Thursday afternoon in Reception will now be covered by Miss Walker, but on a Wednesday afternoon alongside Miss Ayre.

### Mental Health Monday in Apple Class

*Message from Mrs Helferrich:*

On Monday we came to school in our pyjamas. We took part in our daily 10-minute run; a healthy body = a healthy mind.

We made a banana and honey facemask, placed cucumber on our eyes and listened to relaxation music. It was then time to learn about breathing techniques with rainbow breath. We then went up into space to join

an astronaut doing Yoga. Our relaxing morning was followed by an afternoon in the Forest School area. A great way to start our week!

### WOW Walk to School Challenge

*Message from Mrs Helferrich:*

Our WOW Walk to School Challenge launched on Monday.

Well done to everyone who has been parking at the Sports Club and walking up to school.

We have had so many positive comments from the police, members of the community and parents. Let's try to get everyone achieving the November badge!

## Football Match Report

Reporter: Rosie, Year 3

The Football was fun, it made me feel happy and I made a new friend. It was against Alne school – they won one match and we won one and I was the team Captain.

We went on the coach and I was partners with Felicity. We had a special handshake – we all said for the handshake “Crayke”!

### \*\*\*UPCOMING EVENTS\*\*\*

#### Football v Alne OAK CLASS 31 October 2022

Children from Oak Class will be playing against Alne on the Monday afternoon when we return to school after the half term break. All children will attend including a small number of children who don't wish to play, but will be going along to support their classmates. Please check your email for a consent form which needs to be completed by today. We will be back in time for the end of the school day. Players will be provided with a Crayke football top but need their own shorts, trainers and shin pads if they have them. For those without shin pads, we will have some for children to borrow. Thanks for your support.

#### Reception New Starters 2023

We have already started to welcome prospective parents for new starters in Autumn 2023 which is fabulous! Applications for school places are made via NYCC Admissions.

The application window **is now open** and completed applications must be submitted no later than **15 January 2023**. Further details about the process are available here:

**Tesco Thirsk Fundraiser**

If you happen to be passing by Tesco in Thirsk between now and the middle of January, please do take a moment to drop a blue token or two into the middle section of the fundraising box...funds raised will go directly towards our running track. In the words of Tesco... Every Little Helps! Please spread the word! Thank you.

## Cost of Living Crisis

We are very aware that costs continue to rise and look set to do so for some time. If you are encountering financial difficulties, we may be able to signpost support. Please get in touch. If your circumstances have changed and you think your child may be eligible for free school meals, it has never been easier to apply. There is no stigma attached to this, it is not highlighted to the children in any way, and the school gets valuable funding too. If you would like a confidential conversation about whether you may be eligible for free school meals, please do not hesitate to speak to me. To apply directly please use this weblink: <https://www.northyorks.gov.uk/free-school-meals>

## Attendance and Punctuality

We strive for high levels of attendance at school. Please try, wherever possible, to book holidays out of term time. The impact of even one day's absence on your child's learning is huge. Also, please try to book medical appointments out of school hours if possible as this also minimises the time missed. If your child is very unwell and unable to attend school, please inform the office by phoning **01347 821767 no later than 9:15am**. Thank you for your support with this important matter.

## Online Safety

We recognise the importance of online safety and also understand that it is a fast paced, ever changing online world where parents can struggle to keep up with the technical knowledge and understanding demonstrated by their children. The National Online Safety organisation produce regular guides for parents. Should you wish to access these they are available on a whole range of topics including what parents need to know about Amazon Fire Tablets, Google Chromebooks, and ways to champion equality online, please have a look at this weblink: <https://nationalonlinesafety.com/guides>

Should you wish to access more information about how to support your child/ren with online safety at home, this course is available which explains in detail the risks they might be exposed to and what you can do to support them. <https://info.nationalonlinesafety.com/myleene-uk>

## Our Safeguarding Team

At Crayke, we have three members of staff and a governor who make up our Safeguarding Leadership Team. I am the Designated Safeguarding Lead, which means that I am the lead person responsible for child protection and safeguarding issues. Mrs Rayner and Mrs Chandler are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role of safeguarding and child protection. Mr Hugh Porter is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as to regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body. All staff at Crayke know that safeguarding is EVERYONE'S responsibility. Find out more on our dedicated website Safeguarding page: <https://craykeschool.org/safeguarding/> You can also report any safeguarding concerns to our DSL email: [dsl@crayke.n-yorks.sch.uk](mailto:dsl@crayke.n-yorks.sch.uk) Please also be aware that as a school we subscribe to Operation Encompass, whereby we are notified of any incidences of domestic violence where a pupil at our school has been present.

## CHASA News

### **CAKE DONATIONS and VOLUNTEERS for Crayke Bonfire Night CHASA Stall**

CHASA will be running a cake and glowstick stall at Crayke Bonfire Night on **Saturday 5<sup>th</sup> November at Crayke Sports field.**

We would like to kindly ask parents for donations of **traybakes, flapjack, brownies or toffee apples** to sell on the stall. Please **NO** fresh cream and **NO** nuts.

We would be most grateful if you could bring your kind donations into school at drop off on **Friday 4<sup>th</sup> November** and place them in the boxes provided on the playground.

### **WE NEED YOU!**

We need parents to come forward and volunteer to do a short stint selling cakes/glowsticks on the stall during the evening of 5<sup>th</sup> November. Please let your year rep or one of the committee members know if you will be able to help.

Thank you very much for your support.

The CHASA team

**CHASA representatives** – apologies, last weeks' newsletter stated that Sally Ford was the Year 3 representative – this should have been Jade Bunker.

Crayke Primary School  
**Christmas Card**  
C.H.A.S.A Fundraising

This year we are giving all pupils the opportunity to design their own Christmas cards!

We will be putting an envelope in all book bags to take home and design over the half term holiday.

Easy to follow instructions will be inside the envelope with space to draw their festive picture.

**Prices are £4 for 12 cards or £8 for 24**  
*(Please note all profits go towards C.H.A.S.A)*

*Envelopes must be returned to school in book bags with the pupils design and correct cash amount by*  
**5th November**

# Design The New CHASA Logo...

During October Half Term we would love YOU to design the new CHASA logo.

We'll be picking one winning design from each class (who will get a prize, yay!) and then one overall winner will be chosen by Hugh Porter our chair of Governors.

The winning logo will be used on all things CHASA going forward

- Please create a rectangular landscape logo on a blank sheet
- Bold, Big & Bright is Best. Small details might be harder to see.
- Perhaps incorporate what CHASA means to you or some of your favourite events into your design...
- Pens, paint and pencils, please. Try and avoid, collage/glue.

### Flu vaccine

Dear Parent/Guardian,

The flu vaccine will be offered to all primary school children this year. Nasal flu vaccination is delivered in school. There are some occasions where an injection is the most appropriate route for vaccination for some children. The consent form that the link below takes you to is for Nasal Flu, if you select NO, you will be asked a series of questions to establish if your child is eligible for an injection.

**School Name: Crayke C of E Primary School**

**School CODE: HD121484**

**Session Date: 7th November 2022**

***Last date to consent is 7 days before the session date.***

Please complete the link below to give consent. If you do not want your child to receive the vaccine then you can select the 'NO' option on the consent form.

<https://www.hdftsais.co.uk/Forms/Flu>

After you have finished, if you change your mind or need to tell us about changes to your child's medical history, do not complete another consent form. Please visit [www.hdftsais.co.uk/Contact](http://www.hdftsais.co.uk/Contact) to contact the immunisation team and tell us about any changes.

For further information about the flu vaccine please access [Flu vaccination in schools - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

## National Child Measurement Programme (NCMP) information for schools

### The National Child Measurement Programme (Height and weight checks for children in Reception and Year 6)

Every year in England, school children in Reception (aged 4-5 years) and Year 6 (aged 10-11 years) have their height and weight checked at school as part of the National Child Measurement Programme (NCMP).

Height and weight measurements are used to calculate weight status. This information is collected because it is in the public interest to understand how many children are overweight, healthy weight or underweight and so support and advice can be offered to parents.

The checks are carried out by trained health care providers, and are delivered in a COVID-safe way. Children are measured fully clothed, except for their coats and shoes, in a private space away from other pupils.

NCMP measurements are conducted in a sensitive way, in private and away from other children. Individual results are not shared with your child or their school. The weight and height information is shared only with you in the parent or carer feedback letter. It is your choice if you share the information with your child.

Once the measurements have been carried out, parents/carers get a letter with the results. They may also be contacted by the NCMP staff who will talk through their child's results and offer advice and support.

**These measurements will be taking place in our school soon (for those year groups). If your child is due to be measured you will receive a letter to explain more about it.**

If you are worried about your child's weight, please have a look at:

<https://www.northyorks.gov.uk/healthy-weight-support-children-young-people-and-families>

If you would like some information about cost saving ideas, free school meals, food banks, financial support etc. please go to: <https://healthyschoolsnorthyorks.org/parents/>

## School height and weight measurements

Every year, throughout England, more than a million children in Reception and Year 6 have their height and weight measured at school as part of the National Child Measurement Programme

**Parents are notified**

Parents receive a letter about measurement day at their child's school. The letter will let parents know they will receive their child's results.

Over a million children take part each year.

**School height & weight checks**

Measurements are carried out by trained staff in a school nurse assistant. Children take off their coat and shoes for a more accurate measurement.

**Parents' result letters**

Dear Parent,  
Healthy growth check

Underweight  
Healthy weight  
Overweight  
Very overweight

Most areas send parents a confidential letter about their child's weight status within 6 weeks of measurement.

87% of parents say they find the NCMMP feedback helpful.

**Parents' action**

A parent can speak to their school nurse or GP for further advice and support about their child's weight.

Parents can monitor their child's weight status by visiting the NHS Healthy Weight Calculator.

Parents can visit the your child's weight page at Change4Life for tips on healthier changes.

**Data use**

The data is held by the local authority and sent to NHS Digital and Public Health England, where it is stored securely and used for analysis.

It builds a picture of how children are growing to help plan better health and leisure services for families.

### What we know from the data collected so far

- Most children in Reception and Year 6 are a healthy weight.
- Around one in ten children in Reception is very overweight. This doubles to one in five children by year 6.
- The number of very overweight children in Year 6 is increasing year on year.
- Most children who are overweight in Reception will remain so or become even more overweight for their age by year 6 without action to achieve a healthier weight.

Because many children are overweight, we are all becoming used to seeing heavier children as the norm. It means we cannot always tell when a child is overweight. That is why many parents find it helpful to have an objective measurement of how their child is growing. More than 8 in 10 parents say this information is helpful and they can then make decisions about their child's lifestyle and wellbeing to make changes, or seek support if necessary.

### Why achieving a healthy weight is important

When children are a healthy weight, they feel better about themselves. They find it easier to play and learn. And they are more likely to grow up healthy too. Helping them to be a healthier weight when they are a child can set up their health and wellbeing for life.

You can encourage the whole family to enjoy eating healthily and being active which will help your child achieve and maintain a healthier weight. Children who see their parents, grandparents and carers following a healthy and active lifestyle tend to join in and learn by example. These habits become a normal part of everyday life for the whole family.
