Dear Parents and Carers,

## NEWS FROM SCHOOL THIS WEEK

What an exciting end to the week! The look of pure joy, awe and wonder on the children's faces this morning as they saw the snow-covered playground and field was a delight to see.

### Mindful March

Please see the attached calendar which contains short daily activities centred around wellbeing. It would be lovely to hear about some examples of things you have done as a family during "Mindful March"!

### FOCUS: Healthy Eating

*Message from Mrs Jackson, PSHE Subject Leader*

Oak Class have been learning about the importance of healthy eating, so it's a good time to share some messages about this important topic with all families.

We encourage and support children to develop good eating habits, which we hope continues into adulthood. When we eat well, we fuel our bodies with the important nutrients to enable us to learn. A good diet and nutrition also plays an important role in our mental health, physical and social development.

**Breakfast:** Breakfast is really important to top up children's energy stores for the morning's activities. Children who eat a healthy breakfast are less likely to snack on high fat/sugar foods later on. These children also tend to concentrate and perform better at school.

Providing children with breakfasts that are rich in fibre, whole grains and protein can help to boost their attention span, concentration and memory. Breakfast foods such as cereals with added iron, wholegrain breads, eggs and raisins are also good sources of iron.

Here are some ideas from the NHS for quick and healthy breakfasts. <https://www.nhs.uk/healthier-families/recipes/breakfast/>

**Snack Time:** Reception and KS1 have fruit time each day where all children are provided with a fruit or vegetable snack for them to enjoy.

In KS2 we encourage parents to provide children with a healthy snack to eat at break time. Some ideas for snacks could be:

- Fruit • Raisins • Vegetables • Rice cakes • Cheese and crackers • Veggie sticks with hummus
- No nuts, sugary snacks, biscuits, crisps or chocolate

**Water:** Crayke Primary is a water only school. Having a water bottle full of water in school helps to keep children hydrated and ready to learn. Children can refill their water bottle throughout the day.

**School Lunches:** Reception, Year 1 and Year 2 are all entitled to a FREE school meal and we would encourage them to have a hot meal each day. Our school meals menu can be viewed on the school website and is available each week on the newsletter. Each day, children are offered a range of options to support a balanced and healthy diet. We know that vegetables are not always a favourite option with the children, however we always serve vegetables and encourage children to eat as much as possible. To help, we ask that at home you also regularly offer your child vegetables and encourage them to try new ones.

**Healthy Packed Lunches:** Whether squeezing it in before the school run in the morning or before bed on busy midweek evenings, preparing your child's lunchbox can seem like just another thing on the list. It is important for learning that children have the right food at lunch time. Lots of our children have a wide variety of healthy packed lunches which is brilliant. Please always remember to include fruit and vegetables each day. Lunchbox ideas and recipes are available here – Healthier Families - NHS ([www.nhs.uk](http://www.nhs.uk))

**Nut Free School:** We aim to be Nut Free. Some of our children may suffer an allergic reaction if exposed to nuts, so our aim to be nut free is in place to reduce the risk of coming into contact with nuts at Crayke School. We recognise that food labels will often state "may contain traces of nuts" or "cannot guarantee nut free", which can make it difficult to avoid.

To reduce the risk of an allergic reaction for a child in our school, we request any food containing nuts is not brought into school. Such foods include (but not exclusive to):

- Packets of nuts
- Peanut butter/ Nutella sandwiches
- Fruit and cereal bars that contain nuts
- Cakes made with nuts.
- Peanut-based sauces like satay
- Any food made with sesame seeds (which can cause a similar allergic reaction)

The above list is not exhaustive. Please check the ingredient lists carefully.

Both children and adults with severe nut allergies can suffer from life-threatening reactions if they eat, smell, or touch any foods containing nuts. We are therefore grateful for your cooperation in helping to keep our pupils and staff safe.

If you have any questions about any of the information shared here, please feel free to contact me.

## Year 5 Art Competition – Live!

*Message from Miss Walker, Art Subject Leader*

Year 5 pupils have submitted their entries for the competition, which can be viewed here:

<https://artbytes.co.uk/schools/crayke-church-of-england-vc-primary-school-252/>

What happens next?

- The judging panel choose their favourite 3 pieces of artwork from our school.
- As a school, we can then vote for our favourite pieces.
- The winning artwork from our school will then appear in the Art Bytes virtual gallery.
- The judging panel then decide on regional and national winners with a celebration event at Leeds Art Gallery in June!

Following the shortlisting by a judging panel of arts professionals, public voting for one of the top three entries from each school will open from **Saturday 1st April – Wednesday 26th April 2023**.

## Apple Class News

*Message from Mrs Helfferich*

This week, we have continued to learn about fairy tales; in school we learnt about 'Little Red Riding Hood', we talked about what we thought she might put in her basket. What things were healthy and tried to include some of our 5 a day. The children brought in their 'Three Little Pig' houses, we tried to blow them down. There were some amazing creations.

For International Women's Day we were very fortunate to have Tania visit us from Easingwold Fire Station. She told us what it was like to be a female fire fighter. She also taught us about fire safety. We look forward to seeing her again at one of their Open Days.

## Parent Workshops – Assessment focus

We are very sorry that we were unable to run the KS2 SATs session in person yesterday. Mrs Rayner is in the process of producing an online session as an alternative. This can be watched with your Year 6 child and will be available via the Oak Class Google page (accessed in the same way as the children log on to complete homework activities).

Should you have any questions following the presentation, please do not hesitate to contact us. The two remaining workshops are as follows:

Focus	For parents of children in	Date	Time	Led by
Multiplication Tables Check	Year 4	Thursday 16 March	9:10am	Mrs Chandler
Phonics	Year 1	Thursday 23 March	9:10am	Mrs Dobson

Each session will take place in the hall and will last for approximately 30 minutes.

## Year 4 School Camp Out Residential

Unfortunately, there were insufficient numbers of children wanting to take advantage of this opportunity, meaning that the residential is unable to proceed as planned. We looked at alternative ways of trying to make it possible but sadly, it just isn't financially viable. We understand that some children will be understandably disappointed about this missed chance, however, we are exploring other options regarding future residential opportunities and we will keep you informed. This also means that the parent meeting, planned for March 27, will no longer be going ahead. Thank you for your understanding.

## Wow Walk to School Challenge Weekly Update

*Message from Mrs Helfferich*

### WOW Walk to school

It would be great to see year 5 either walking from the Sports Club, attending run a Mile or using their slot on the running track to earn themselves this month's badge.

This week's results are as follows:

Apple, Beech & Holly

Year 6

**Well done – some great results this week!**

## Walking Inspiration

Elise, Isla and Nat (along with big sister Ella) did a 9 mile walk to Robin Hoods Bay and back.

As a big fan of the Cleveland Way myself, it is absolutely wonderful to see children enjoying this beautiful feature of our local landscape!

**\*\*\*STANDING ITEMS\*\*\*****Cost of Living Crisis**

We are very aware that costs continue to rise and look set to do so for some time. If you are encountering financial difficulties, we may be able to signpost support. Please get in touch. If your circumstances have changed and you think your child may be eligible for free school meals, it has never been easier to apply. There is no stigma attached to this, it is not highlighted to the children in any way, and the school gets valuable funding too. If you would like a confidential conversation about whether you may be eligible for free school meals, please do not hesitate to speak to me. To apply directly please use this weblink: <https://www.northyorks.gov.uk/free-school-meals>

**Reception places available for September 2023**

Due to a lower number of sibling than usual, we anticipate that we will have some spaces available in our Reception class in September 2023. Although the deadline has now officially passed for applications of places to North Yorkshire County Council, if you know of any parents who may be interested, please do ask them to contact school.

**Online Safety**

We recognise the importance of online safety and also understand that it is a fast paced, ever changing online world where parents can struggle to keep up with the technical knowledge and understanding demonstrated by their children. The National Online Safety organisation produce regular guides for parents – this week they have produced a leaflet entitled “[Guide to iPads](#)”. Please see the attached leaflet which is also available on the Online Safety section of our website. Should you wish to access any of the other online safety parent guides available on a whole range of topics including what parents need to know about Amazon Fire Tablets, Google Chromebooks, and ways to champion equality online, please have a look at this weblink:

<https://nationalonlinesafety.com/guides>

Should you wish to access more information about how to support your child/ren with online safety at home, this course is available which explains in detail the risks they might be exposed to and what you can do to support them. <https://info.nationalonlinesafety.com/myleene-uk>

**Our Safeguarding Team**

At Crayke, we have three members of staff and a governor who make up our Safeguarding Leadership Team. I am the Designated Safeguarding Lead, which means that I am the lead person responsible for child protection and safeguarding issues. Mrs Rayner and Mrs Chandler are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role of safeguarding and child protection. Mr Hugh Porter is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as to regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body. All staff at Crayke know that safeguarding is EVERYONE'S responsibility. Find out more on our dedicated website Safeguarding page: <https://craykeschool.org/safeguarding/> You can also report any safeguarding concerns to our DSL email: [dsl@crayke.n-yorks.sch.uk](mailto:dsl@crayke.n-yorks.sch.uk) Please also be aware that as a school we subscribe to Operation Encompass, whereby we are notified of any incidences of domestic violence where a pupil at our school has been present.

## Attendance and Punctuality

**This week's attendance figures: 94.7% School Target: 96%**

<b>Apple (CH): 95.7% 1 late</b>	<b>Beech (LD): 97.9% 4 lates (2 children)</b>
<b>Holly (LC): 90% 1 late</b>	<b>Oak (LR): 96.4% 0 lates</b>

We strive for high levels of attendance at school. Please try, wherever possible, to book holidays out of term time. The impact of even one day's absence on your child's learning is huge. Also, please try to book medical appointments out of school hours if possible as this also minimises the time missed. If your child is very unwell and unable to attend school, please inform the office by phoning **01347 821767 no later than 9:15am**. Thank you for your support with this important matter.

### Why is it important for children not to miss school?

All parents want the best for their children and for them to get on well in life. Having a good education is important to ensure that they have the best opportunities in their adult life. They only get one chance at school, and your child's future may be affected by not attending school or alternative provision regularly. If children do not attend school regularly they may:

- Struggle to keep up with school work. In a busy school day, it can be difficult for schools to find the extra time to help a child catch up.
- Miss out on the social side of school life. Poor attendance can affect children's ability to make and keep friendships; a vital part of growing up.

Setting good attendance patterns from an early age, from nursery through primary school will also help your child later on in their life. Children who have a poor school attendance record may have less chance of securing a job when they are adults. Being on time is also vital. Arriving late at school can be very disruptive for your child, their teacher and the other children in the class. Some parents may be finding it difficult to ensure that their child attends school regularly. If this is the case please speak to Mrs Jackson as soon as possible so that the situation can be addressed.

### **The world is run by those who turn up.**

**Make every minute count!**

Another arm of the signpost points right, with a larger sign that reads "YORKSHIRE WOLDS WAY PUBLIC FOOTPATH". The background shows rolling green hills under a blue sky with white clouds. In the top left corner, there is a logo for "St Leonard's Hospice" with the tagline "Caring for Local People" and a stylized sun-like icon.
