Dear Parents and Carers,

Welcome back to the Summer Term! Please read on for plenty of information about what the children will be learning and studying over the next few months.

Children are taught maths and English daily in school. They are also taught other curriculum subjects including history, geography, science, PE, computing, design technology, RE, art, PSHE and music. Children in Key Stage 2 are taught French. Where possible, the curriculum subjects are taught under the umbrella of the following themes.

The class Curriculum Trees have all been updated for the new term. They are available in two separate places on the website, both via this link: <https://craykeschool.org/curriculum/overview-intent/> and on the individual class pages as shown in this screenshot:

Home School Values – Summer Term

I was thrilled that Mabel had already checked ahead in her planner to see what our values are for this term. She was absolutely spot on that this term, we are particularly focussing on Friendship and Respect. As these are two of our school core values, I know that the children will absolutely embrace these during the term and beyond. It is always great to hear about times when you have supported your children with values related activities.

TALK TOGETHER about Friendship

Learning to be a good **friend**, someone who can be trusted and is loyal, takes a lifetime.

Talk together about how **friends** come in all shapes and sizes. Some are young, some are old. Some are always there, some we see only occasionally.

- How do we choose our **friends**?
- What makes a good **friend**?
- Are we a good **friend** to others?

TALK TOGETHER about Respect

We are learning at school about the importance of treating others with **respect** even if we sometimes do not agree with the way they behave or the things they say. We have also been thinking about how we should treat the things that belong to us and to other people **respectfully**.

- Think of some practical ways that you show **respect** to each other in your family.
- Often we show **respect** to someone by the way we speak to them. What does this mean in practice?
- Do you treat one another's possessions with **respect**? What does this mean in practice?

Transition Opportunity - English

Message from Mrs Rayner

Oak class were lucky enough to be joined for the day by Miss Hesketh, who is a 'First Teach' English trainee at Outwood Secondary. She came in to get experience of a primary classroom and was blown away by the standard of work happening in Oak class, including excellent grammar and punctuation knowledge. Miss Hesketh teaches some of our former pupils and will continue to be at Outwood for another year, so may even get to teach some of our current Year 6s!

Prayers for the King

We were thrilled to receive this email earlier this week! Well done to all the children whose poems will be displayed in the Cathedral, in both the exhibition and in the folders. We would love to hear from anyone who makes the visit over to Ripon to see this in action!

By email

Dear Headteacher

Re: Write a Prayer for the King

Please thank all your pupils who submitted such lovely prayers for the King. We had a very difficult task to decide which ones should go in the special exhibition at the Cathedral. We are pleased to tell you that we have selected the prayers of the following pupils from your school to be in the exhibition:

Kiera Rosa Keyter Age 9; Percy Ollive Age 9; Lucas Stubbins Age 7; Zhdan Kovalchuk Age 9; Evangeline Wardle Age 7; Nathaniel Fenton Age 10

All the other prayers will be on display in ring binders in the Cathedral. The exhibition runs from Friday 28th April to Friday 12th May. The cathedral is open daily and entry is free. We look forward to welcoming as many of your pupils and their families as are able to come.

With my very best wishes

Dean John

Please see Upcoming Events section for further information about our plans to celebrate the Coronation in school.

Safeguarding Update – DDSL

Mrs Helfferich will be taking on the role of Deputy Designated Safeguarding Lead in Mrs Chandler's absence this term. She is in the process of undertaking the required training. Thanks to Mrs Helfferich for taking on this additional responsibility and this important job.

PE Kits and School Uniform

A reminder that children in Apple class are asked to come to school wearing their PE kits on **Wednesday** and **Friday**. This will help with transition into Year 1 and maximise learning time in the summer term, having had the opportunity to develop their changing skills in school. Also, a reminder that children should wear school shoes alongside their uniform and trainers with PE kits on their allocated days. This helps with ensuring that they all look smart and presentable and that they are dressed appropriately for the tasks of each day. Thank you for your support.

Lunch Money

Dinner money for the first half of this term (6 weeks from 17 April to 26 May less 1 training day and 2 Bank Holidays) is now due for children in Holly and Oak Class.

The total amount due is £85.05 and the payment item is set up so that you can make a number of payments throughout the half-term. At least half the total payment should be made by **9 May** and the remainder paid by **22 May**.

If you have any credits due these will have been applied to your ParentPay account at the end of last term or will be processed in the next couple of days.

Please can I urge parents and carers to pay for lunches as soon as possible in order to reduce the administrative demands on Mrs Bacon. Thank you.

UPCOMING EVENTS

Coronation Events – w/c 1 May 2023

We are really excited to be able to celebrate the upcoming Coronation in a number of different ways with the children and families. Lessons this week will include a focus on the history and significance of this event.

On **Wednesday 3 May** we invite children to come to school “dressed for the Coronation”. They can interpret this brief however they wish! Children are also invited to design, make and wear a crown. There will be a crown parade during the day with winners from each class.

On **Friday 5 May** we will be joining a Guinness World Record attempt, where Mrs Helfferich has organised an opportunity for the children, parents and staff to take part in the ‘TCS Mini London Marathon’. This is a challenge which we can easily achieve, we are a fit school; nearly half of the school attends run a mile club. The challenge is: ‘The most pledges received for an exercise campaign in a month’ The current record is 241,675 people. We are required to take a pledge then run/walk a mile around the school field.

Please also see page 19 for information about what is going on in the village for the Coronation!

SATs Tests – w/c 8 May 2023

Year 6 will be taking their SATS tests week commencing 8 May 2023, as follows:

Test	Date
English grammar, punctuation and spelling test Paper 1: short answer questions (45 minutes) Paper 2: spelling (15 minutes)	Tuesday 9th May
English reading test Paper 1: Reading comprehension (60 minutes)	Wednesday 10th May
Mathematics Paper 1: arithmetic (30 minutes) Paper 2: reasoning (40 minutes)	Thursday 11th May
Mathematics Paper 3: reasoning (40 minutes)	Friday 12th May

To give the Year 6 children the best possible chance, it is important that **all pupils** are punctual during this week in particular, to ensure that we can have a smooth start to each school day. Thank you.

SATs Breakfast Club

Message from Mrs Rayner

During SATs week (Tuesday 9th to Friday 12th May) the Year 6s are invited to a special daily SATs breakfast club at 8.15am. Here, they will have the chance to spend some time together as a year group, listen to some 'feel-good' music, have a good breakfast (free of charge) and feel ready for the test/s that day. We are currently in the process of approaching some local businesses to help us with breakfast items to put on a fantastic spread for the children to ensure they are fully equipped to perform the very best they can.

Please could you get in touch at lrayner@crayke.n-yorks.sch.uk to confirm whether or not your child will be attending our special breakfast club during SATs week, so that we are able to cater accordingly.

Thank you for your ongoing support.

Walking Inspiration

Message from Mrs Helfferich

It has been great to receive so many emails showing photos of the children being so active over the holidays. Honor and Isla ventured to Bolton Abbey with their dogs. Poppy walked 4 miles in the Filey area. Dexter tackled and conquered Scafell Pike. What a great inspiration you all are! More to follow next week. Please send photos and info to: chelfferich@crayke.n-yorks.sch.uk

Plans are underway for this year's Summer Fair! Please start collecting clean teddies and empty, clean jam jars to be able to make these popular stalls bigger than ever! Thank you!

We really do need as many hands on deck as possible to make this event as successful as possible. Even if you are only able to give an hour, we would be really grateful. Please contact Rebecca Stubbins chasasecretary@crayke.n-yorks.sch.uk if you would like to find out more and/or offer your services.

Thank you.

*****STANDING ITEMS*******Cost of Living Crisis**

We are very aware that costs continue to rise and look set to do so for some time. If you are encountering financial difficulties, we may be able to signpost support. Please get in touch. If your circumstances have changed and you think your child may be eligible for free school meals, it has never been easier to apply. There is no stigma attached to this, it is not highlighted to the children in any way, and the school gets valuable funding too. If you would like a confidential conversation about whether you may be eligible for free school meals, please do not hesitate to speak to me. To apply directly please use this weblink: <https://www.northyorks.gov.uk/free-school-meals>

Reception places available for September 2023

Due to a lower number of sibling than usual, we anticipate that we will have some spaces available in our Reception class in September 2023. Although the deadline has now officially passed for applications of places to North Yorkshire County Council, if you know of any parents who may be interested, please do ask them to contact school.

Online Safety

We recognise the importance of online safety and also understand that it is a fast paced, ever changing online world where parents can struggle to keep up with the technical knowledge and understanding demonstrated by their children. The National Online Safety organisation produce regular guides for parents – this week they have produced a leaflet entitled “**Media Use and Attitudes Report 2023**”. Please see the attached leaflet which is also available on the Online Safety section of our website. Should you wish to access any of the other online safety parent guides available on a whole range of topics including what parents need to know about Amazon Fire Tablets, Google Chromebooks, and ways to champion equality online, please have a look at this weblink: <https://nationalonlinesafety.com/guides>

Should you wish to access more information about how to support your child/ren with online safety at home, this course is available which explains in detail the risks they might be exposed to and what you can do to support them. <https://info.nationalonlinesafety.com/myleene-uk>

Our Safeguarding Team

At Crayke, we have three members of staff and a governor who make up our Safeguarding Leadership Team. I am the Designated Safeguarding Lead, which means that I am the lead person responsible for child protection and safeguarding issues. Mrs Rayner and Mrs Helfferich (in Mrs Chandler’s absence) are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role of safeguarding and child protection. Mr Hugh Porter is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as to regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body. All staff at Crayke know that safeguarding is EVERYONE’S responsibility. Find out more on our dedicated website Safeguarding page: <https://craykeschool.org/safeguarding/>

You can also report any safeguarding concerns to our DSL email: dsl@crayke.n-yorks.sch.uk Please also be aware that as a school we subscribe to Operation Encompass, whereby we are notified of any incidences of domestic violence where a pupil at our school has been present.

Attendance

We strive for high levels of attendance at school. Please try, wherever possible, to book holidays out of term time. The impact of even one day's absence on your child's learning is huge. Also, please try to book medical appointments out of school hours if possible as this also minimises the time missed. If your child is very unwell and unable to attend school, please inform the office by phoning **01347 821767 no later than 9:15am**. Thank you for your support with this important matter.

Punctuality

It is very important that the children arrive to school on time so that:

1. They take part in all of the learning opportunities for the day with complete focus and without interruption from late arrivals.
2. Teachers can teach the best possible lessons without complete focus and without interruption from late arrivals.

Crayke Sustainability Group Community Café Saturday 22 April 2023

The Crayke Sustainability Group are organising another Community cafe this Saturday 11-1pm. The theme is 'Spring Clean Live Green'. We have a guest speaker talking about cleaning products and how we should buy environmentally friendly plant based products. He is usually seen on Easingwold market and Damien is well informed to answer all questions.

We are asking people to bring empty plastic bottles to fill up at the event. They are not expensive but very effective!

Please do come along and try some all-purpose cleaner, dishwashing liquid, laundry and fabric conditioner, hand wash etc...

I would ask 'Have you ever read the back of your dishwashing or laundry liquid?'
Many say 'Harmful to aquatic environments with long lasting effects' !!
With our rivers in crisis is it time to review what we are putting down the plug hole?

There will also be a Freecycle table available for unwanted items trying to find a new home. All items welcome.
