Dear Parents and Carers,

NEWS FROM SCHOOL THIS WEEK

Well done Year 6!

Year 6 children have been quite remarkable this week and we are so, so impressed with each and every one of them. They have ALL given every test their absolute best effort and should feel really proud of how well they have concentrated, focussed and persevered. Every single child maintained a positive attitude throughout each test. We could not be any prouder of you all. Also, an enormous thank you and well done to the wonderful team who have supported the children this year – Mrs Rayner, Mrs Aristizabal and Miss Ayre.

The children have loved their special SATs breakfasts – thank you so, so much to the parents who donated items for this.

The children celebrated the end of their tests with a party, although I am not quite sure who enjoyed it the most... my vote is Mrs Rayner!

Message from Mrs Helfferich

The weather must have got the memo that we needed it to brighten up in time for last Friday's event! Luckily the weather stayed mostly dry apart from the odd drop of rain. Well done to all the children/staff/parents who took part in the 'Mini Marathon' last Friday, We will let you know if we are successful in our attempt to break a Guinness World Record. My Fitbit recorded 2.32km, so I am confident that all children completed a mile.

Apple Class Update

Message from Mrs Helfferich

This week we have been learning about Florence Nightingale, it would have been her birthday today. Today, is International Nurses Day, we made cards for the nurses at St Monica's, Millfield and Stillington Surgery. They were delighted to receive them.

The children are all very aware and concerned about the impact that litter has on animals and the environment. We are going to walk around the school grounds to collect any rubbish to ensure that all the animals on our school field are safe. We were really pleased to see that a hedgehog had stayed a night or two in our hedgehog home.

Response from the nurses at St Monica's

I would like to just send a heartfelt thank you to Mrs Helfferich and Apple class for thinking of us nurses at St Monica's on this International Nurses Day.

You had the nurses close to tears with the lovely pictures and messages, so thank you.

We have put the cards up proudly around our hospital for everybody to see!

And we really enjoyed the sweets!

From Jade

UPCOMING EVENTS

Walk to School week – next week

We are encouraging children to be more active during Walk to School Week 2023. The 5-day challenge takes place from the 16th to the 20th of May and is designed to help children reach their minimum 60 minutes of exercise per day.

What are the benefits of Walk to School Week?

Being active and getting some exercise in the morning before arriving at school will help set kids up for a positive day; improving focus and concentration, and instilling a sense of physical and mental wellbeing.

Walk to School Week is also designed to extend beyond the week itself, by encouraging healthy habits for life with a focus on exercise, diet and wellbeing.

There are many health benefits to walking:

- Exercise helps develop strong bones and increase muscle strength. It also tones the whole body.
- Walking gets the heart pumping, which can help improve cognitive function for lessons throughout the school day.
- Walking helps to improve mood. Getting outdoors and making the most of natural daylight makes for a positive start to the day.
- When walking to school, children can relax and let off steam before they head into the classroom to learn.

Forest School sessions – Reception and Year 1

As part of transition from EYFS to Key Stage 1, and to enable to Year 2 children to do their SATs tests, Mrs Helfferich will be running some Forest School sessions for children in Reception and Year 1 on the following mornings:

Thursday 18 May

Friday 19 May

Tuesday 23 May

Wednesday 24 May

Thursday 25 May

Please can ALL children in Apple Class and Year 1 have their Forest School kits in school for the above days – thank you.

New starter survey – Reception 2023

Parents of new starters in Reception were emailed this week with information about the information evening and new starter visits. In the meantime, to support our planning of the visits to feeder settings, please can parents of Reception new starters please complete this survey as soon as possible and no later than **Friday 26 May**: <https://forms.office.com/e/5zWxfmDxFk> Thank you to those parents who have already completed this.

Holly Class Visit – Murton Park – 19 May 2023

A reminder to parents/carers of children in Holly Class to complete the consent form no later than **Monday 15 May**: <https://forms.office.com/e/Mv3qzNdX1h> Thank you.

Pentecost Event at St Cuthbert's Church – Monday 22 May

We are delighted to have been invited to a Pentecost themed event at church on the afternoon of 22 May. Children in Holly and Oak class will be attending and will experience a variety of different activities led by a local team of volunteers. As we will be back in time for the end of the school day and the visits falls within our local area, specific consent is not required for this event. **Given the unpredictability of the current weather, please ensure your child has a coat in school this day.**

Should anyone wish to contact me to discuss further please do not hesitate to do so.

Whole School Photograph – 21 June 2023

We have been advised that we need to reach a minimum of 25 group photograph orders in order for it to be cost effective for Tempest Photography to transport the rigging and stage to school for our whole school photograph on 21 June. If they come to school and we do not reach the minimum order, school will have to make up the difference and we do not have the funds to do this.

Please can you therefore indicate on the MS Form - link below - if you are likely to purchase a group photograph. Prices start from £20.00 (we need a minimum order of 25 x £20.00 - £500 in total). The form will literally take seconds to complete, but we will need all responses by **Friday 12 May**. If we don't receive enough interest, we will have no alternative but to cancel the shoot.

STANDING ITEMS

Cost of Living Crisis

We are very aware that costs continue to rise and look set to do so for some time. If you are encountering financial difficulties, we may be able to signpost support. Please get in touch. If your circumstances have changed and you think your child may be eligible for free school meals, it has never been easier to apply. There is no stigma attached to this, it is not highlighted to the children in any way, and the school gets valuable funding too. If you would like a confidential conversation about whether you may be eligible for free school meals, please do not hesitate to speak to me. To apply directly please use this weblink: <https://www.northyorks.gov.uk/free-school-meals>

Reception places available for September 2023

Due to a lower number of sibling than usual, we anticipate that we will have some spaces available in our Reception class in September 2023. Although the deadline has now officially passed for applications of places to North Yorkshire County Council, if you know of any parents who may be interested, please do ask them to contact school.

Online Safety

We recognise the importance of online safety and also understand that it is a fast paced, ever changing online world where parents can struggle to keep up with the technical knowledge and understanding demonstrated by their children. The National Online Safety organisation produce regular guides for parents – this week they have produced a leaflet entitled “**Guide to Telegram**”. Please see the attached leaflet which is also available on the Online Safety section of our website. Should you wish to access any of the other online safety parent guides available on a whole range of topics including what parents need to know about Amazon Fire Tablets, Google Chromebooks, and ways to champion equality online, please have a look at this weblink: <https://nationalonlinesafety.com/guides>

Should you wish to access more information about how to support your child/ren with online safety at home, this course is available which explains in detail the risks they might be exposed to and what you can do to support them. <https://info.nationalonlinesafety.com/myleene-uk>

Our Safeguarding Team

At Crayke, we have three members of staff and a governor who make up our Safeguarding Leadership Team. I am the Designated Safeguarding Lead, which means that I am the lead person responsible for child protection and safeguarding issues. Mrs Rayner and Mrs Helfferich (in Mrs Chandler’s absence) are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role of safeguarding and child protection. Mr Hugh Porter is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as to regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body. All staff at Crayke know that safeguarding is EVERYONE’S responsibility. Find out more on our dedicated website Safeguarding page: <https://craykeschool.org/safeguarding/>

You can also report any safeguarding concerns to our DSL email: dsl@crayke.n-yorks.sch.uk Please also be aware that as a school we subscribe to Operation Encompass, whereby we are notified of any incidences of domestic violence where a pupil at our school has been present.

Also, please try to book medical appointments out of school hours if possible as this also minimises the time missed. If your child is very unwell and unable to attend school, please inform the office by phoning **01347 821767 no later than 9:15am**. Thank you for your support with this important matter.

Punctuality

It is very important that the children arrive to school on time so that:

1. They take part in all of the learning opportunities for the day with complete focus and without interruption from late arrivals.
2. Teachers can teach the best possible lessons without complete focus and without interruption from late arrivals.

The Diocese of York has launched a new discipleship programme for young people. **GROW: Youth Discipleship Ambassadors** invests in young people as disciples through an academic year, exploring themes such as community, love, generosity, worship and sharing faith, shaped around our [diocesan Rhythm of Life](#).

Young people taking part in the programme will meet in small groups for input days spread over the year facilitated by GROW Leaders, and with the support of a mentor and their church, will complete a set of tasks and challenges – all deeply rooted in how we Live Christ's Story.

At the end of each programme, young people will be commissioned in a special service as Youth Discipleship Ambassadors.
