Headteacher – Mrs Judi Jackson

1 September 2023

Dear Parents/Carers,

Reinforced Autoclaved Aerated Concrete

You may have seen recent media coverage regarding Reinforced Autoclaved Aerated Concrete (RAAC) and its use in educational settings. RAAC is a lightweight form of concrete; because it is weaker than regular concrete, concerns have been raised about its long-term durability. Department for Education (DfE) has recently changed its guidance to education settings on the management of RAAC to take a more precautionary approach and, as a result, areas in affected spaces will be vacated.

We wanted to inform you that we are not affected by this decision as we do not have RAAC in any of our buildings and therefore they will continue to function as normal. We understand that parents may want to understand more about the support to educational settings to manage RAAC safely. You can read more through the article published by the DfE on the Education Hub, which can be accessed via this weblink:

https://educationhub.blog.gov.uk/2023/08/31/new-guidance-on-raac-in-education-settings/?utm_medium=email&utm_source=govdelivery

I hope that this offers reassurance.

Yours sincerely,

Judi Jackson
Headteacher
