## Power Down Pete

Power Down Pete spent time in school this week talking about how to be more environmentally aware. He talked about pollution, recycling and how to help protect our planet.

## Water Safety Workshops

In Apple Class we learnt:

- “Not to go by the edge of the river.” Mabel
- “Don’t ride your bike near the edge of the river.” Wilfred
- “Red flag means don’t go in the sea.” Jackson
- “Black and white flag means it’s good for surfing. Yellow and red means it’s safe for swimming.” Edmund

Beech Class:

- By the end of the session the children could spot a range of ‘water dangers’ and give ideas for how people could be safer near the water.

Key Stage 2:

- The children enjoyed learning about how to stay safe in our local area near rivers, canals, reservoirs and at the seaside. We worked together to spot dangers including slippery banks and strong currents. We learnt that we should never swim in a reservoir, what to do in an emergency and tested our knowledge of lifeguard flags.

## Safeguarding Visit from North Yorkshire Senior Education Adviser

Michele Hattersley visited school recently and we have now received her report from the visit. During the day she spoke to parents, pupils, governors and a range of members of staff. We are delighted that her report highlights the following:

*“The sample of pupils from Y1 – Y6 reported that they feel safe in school and can talk to any adults if they are worried about something. They know the difference between bullying and falling out and can talk about strategies to help themselves or others.”*

*“Parents reported that their children are safe in school and highlighted the extensive information provided within the newsletter which helps with safeguarding, especially online safety. They felt that they could talk to any member of staff if they had concerns. A parent of a new pupil felt that there had been good transition arrangements in place and reported that their child had settled well.”*

## Pupil Voice – School Council

As part of our project of "**How can we improve the team-points system?**" School Council wanted to know what the pupils would like as their reward for the winning team. We took the three most popular suggestions from the suggestion box and the ideas that they had gathered from speaking to the children in their class. We invited children to come up and vote for their preferred treat. We found that offering complimentary biscuits really improved voting turnout!

### **Results:**

Extra breaktime: 4 votes

Tasty treat (ice-cream/ hot chocolate): 24 votes

Games session: 20 votes

## Pupil Voice – Shed Monitors

During last week's Achievement Worship it was brilliant to have the Shed Manager and Monitors sharing a pre-prepared speech with the rest of the children.

This speech – all the children's own work - linked the importance of looking after our playtime equipment with each of our school values.

The speech concluded with a message from the previous monitors passing on their gratitude to the new team for their hard work so far this year.

Educational Visit – Helmsley Castle **Friday 10  
November 2023**

I am delighted to confirm that Mrs Dobson has arranged an educational visit to Helmsley Castle on Friday 10 November as their “Fabulous Finish” to their learning about castles.

Even better – this visit is free to parents! CHASA will fund the travel costs and the visit to the castle is free.

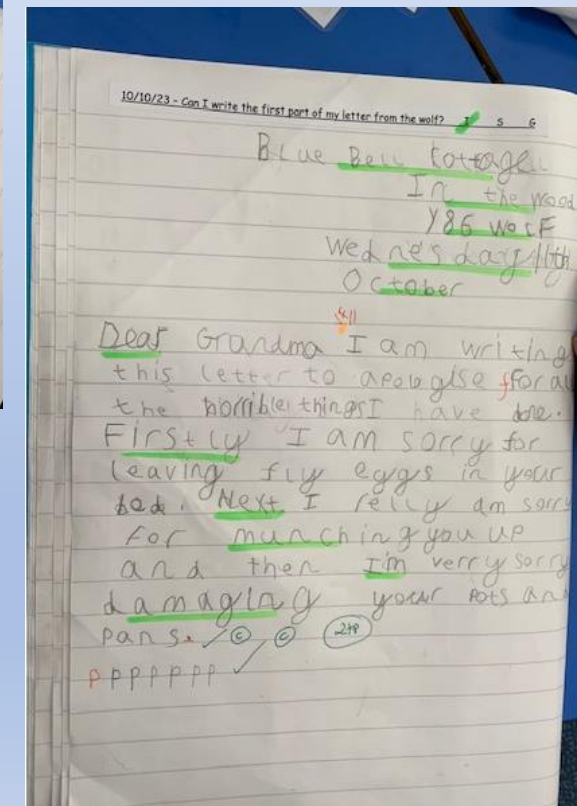

Further details including an online consent form will follow shortly.

## Wonderful Writing

Mrs Rayner (English Subject Leader) and I had the pleasure of visiting Beech class earlier this week to see how the children are getting on in their English lessons. The focus was on using adjectives to write a letter of apology from the Big Bad Wolf to either Grandma or Little Red Riding Hood. We were so impressed with the quality of their writing!

## Educational Visit - Thirsk Sculpture Garden Visit

The weather was very kind to Holly Class and Mrs Chandler reports that they had a really brilliant day. She was very impressed with how engaged the children were and how much they enjoyed the visit.

## Cluster Football Tournament – Easingwold Primary School

On Monday after school, we are taking our football team to play in a competition against 8 other local primary schools!

An email will be sent later today to relevant parents providing further information.

Thank you to Mr Palmer who has supported the team and helped to prepare them by coaching them over the past few weeks after school.

Watch out next week for the results and good luck to the team!

# Upcoming events next week – Information for all

We are so excited to welcome Sean Gaffney, Invictus Games winner and professional athlete into school on Monday.

He will work with each class during the afternoon and then lead a whole school assembly at the end of the day to talk about his achievements.

He will also share with the children the difficulties he faced following the amputation of his left leg, but how his resilience didn't stop him from achieving great things.

This will undoubtedly be a powerful message to our pupils in line with our core values of forgiveness and determination, and also fits well with our work on the Crayke Growth Mindset. We're so looking forward to his visit!

**SEAN GAFFNEY is visiting this school**

@iceda

**Sean Gaffney**  
Sean has been taking part in different sporting activities for as long as he can remember, starting with rugby and football at school, and sailing, kayaking and orienteering as a cadet.

Sean was involved in an accident in 1999 while preparing for the Royal Tournament, he had to undergo 25 surgeries and the amputation of his left leg. Since then, Sean has also battled cancer twice but has overcome all these obstacles with grit and resilience.

A 30-year career in the Royal Navy gave Sean the opportunity to take part in many sports. He represented the Fleet Air Arm at the Royal Tournament as a command field gunner in the world's toughest team sport – the annual Command Field Gun Competition. He also represented the Royal Navy as a powerlifter and indoor rower.

Sport has been a powerful force in his life, and he will continue to train and compete for as long as he can.

Some of Sean's achievements include:

- ★ 2 Gold Medals, a Silver and a Bronze at the Invictus Games
- ★ 2 World Championship Gold Medals, a Silver and a Bronze
- ★ Held 13 national titles as a Para powerlifter and indoor rower
- ★ 30 World records in indoor rowing and skiing
- ★ Para powerlifter in the Commonwealth Games

The infographic features a central image of Sean Gaffney in a blue and red athletic uniform, holding a large Union Jack flag. The background is a mix of light blue, green, and red geometric shapes. On the left side, there are several circular callouts with corresponding colored bars:

- Most important message!** - Be good today, be better tomorrow.
- What's your motto?** - It's never too late.
- Top tip for life!** - Too many highs to choose from.
- Greatest highlight** - Having a chance to prove myself.
- What are you most grateful for?** - Nye Bevan, founder of the NSG.
- Who would you like to meet?** - Nye Bevan, founder of the NSG.

## Parent Consultation Evenings – Offer of support for parents with devices

As parents and carers, you play a crucial role in helping your children to stay safe online. We know that this can be daunting in an ever-changing digital world.

To help you, one of our governors, Pete Wilson, has kindly offered to provide support during our upcoming parent consultation evenings. He will be on hand to help with any questions you may have around setting time limits or restrictions on apps or devices used by your children, on both **Tuesday and Wednesday from 4:30pm - 5:30pm.**

If you would like to find out more by doing your own research, please visit this website: <https://saferinternet.org.uk/guide-and-resource/parents-and-carers>
