News from school this week

We were delighted to present certificates to almost 25% of our children for the **Summer Reading Challenge** – well done to all!

This week, children have developed their understanding of **anti-bullying** – see parent information pack attached.

Year 6 enjoyed the opportunity to attend **Crucial Crew** and learn about different aspects of safety. A group also spent a day developing their cycling proficiency during our **Bikeability** workshop.

Today they all look wonderful in their non-uniform and they are currently enjoying **Quidditch workshops** and **anti-bullying workshops**. There's never a dull moment!

Children in Need

To support the work of this very important and worthwhile charity, we request a donation made via Parent Pay, which can be made by clicking the following link:

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=11593>

Please note that we are unable to accept donations in cash.

Thank you

Quidditch

There was a definite sense of awe and wonder on the playground this morning when the children arrived and saw the Quidditch equipment ready for them. In fact it was like Christmas morning when Carl delightedly asked “Is this really for us?” We then had a special assembly where the team captains were chosen during a Sorting Hat activity with all the children. We look forward to finding out who the winning team is!

News from school this week

We are thrilled to have been given 6 new chess sets by Chess in Schools and Communities, a charity which promotes chess in schools and inner city communities. The children were so excited and they were all put to good use by the chess club with some fierce competition between the children.

Mrs Seligman

News from school this week

We are really grateful to have received another donation of £500 towards the cost of the solar panels, this time from Nestle. Thank you to Mr Unsworth for organising this behind the scenes with the Nestle team!

Class News- APPLE

Apple Class braved the wet and muddy conditions to take part in their 'Fabulous Farming' walk around the outskirts of Crayke. We looked at the crops growing in the fields and noticed that in some areas the crops weren't growing very well, we talked about why. We were apparently a week too early to see the piglets, so we have arranged to see these once they have been born. We saw an old plough and later on saw a few ploughed fields, we talked about how much easier it would be to use a tractor rather than a horse and plough. All of the children said how much they had enjoyed the walk and they are looking forward to taking their family on the same walk to show them what we had seen. As always Apple Class, you represented the school to perfection whilst you were out and about.

Headteacher – Judi Jackson

Upcoming Events – Spanish Day!

The staff are busy making preparations for a really exciting day on Monday 27 November. Children will spend the day in their house team groups learning about different aspects of Spain and Spanish culture including locational knowledge, artists, Spanish food and a Spanish song. They will rotate around 4 different activities as follows:

Geography – Mrs Rayner

Art – Miss Walker

DT (food) – Mrs Helfferich

Music – Mrs Seligman

We will then join together at the end of the day for a special celebration where we will sing the song together as a school and children will have the opportunity to share what they have learnt during the day.

Children are invited to wear item/s of clothing in the colour/s of the Spanish flag should they wish to on the day.
