Galtres Children's Cinema

The Galtres Mole

Folks it's me again, whilst digging around the other day at the Galtres Centre, I once again overheard a planning meeting for the children's film event.

The children at the local primary schools in the area have voted to see "Shaun the Sheep" and it will be shown at a special children's event at 3pm on Saturday 10th February 2024. In addition, a number of local organisations have kindly agreed to provide prizes for the best dressed children (0-5, 6-10, 11-16) and adults at the event.

Entrance will be by ticket only and children attending will be required to bring a responsible adult with them to the performance.

Must dash will tell you more in the coming weeks as I unearth more information on when the tickets are available.
