Galtres Children's Cinema

The Galtres Mole

Folks it's me again, whilst digging around the other day at the Galtres Centre, I overheard the final plans for the children's film event.

For the Attention of all Children!

The Galtres Cinema on Saturday 10th February 2024 at 2.30pm will screen "Shaun the Sheep". The film has been chosen following a vote by school children in the area.

On the day, prior to the screening any children (or adults) who want to dress up as a character from the film will be entered into a competition and the winners in each of the age groups (2-5; 6-10, 11-16 years old and adults) will receive a prize which have been donated by Towlers and AutismPlus.

Refreshments will be available prior to the film screening and entrance to the event will be by ticket; children will be required to bring a responsible adult along with them on the day. Tickets are expected to go quickly so you will need to either book on line

(<https://www.galtrescentre.org.uk/events/shaun-the-sheep/>) or go to the Administration Office at the Galtres Centre

We (still) need a caretaker!

The vacancy for a cleaner and caretaker has been re- advertised with a closing date of 28.1.24. Please see below link and share with anyone who you think may be interested in applying.
