

Crayke Primary School's New Teams!

Why did we change our team-point teams?

Colour teams didn't say much about us as a school, our values or what is important to us!

School Council worked together and took ideas from all over school to develop our new teams.

Why choose musicians?

This is the 'Year of Music' for Crayke School! Musicians embody all our values and a true growth mindset, so they make the perfect people to inspire us. Music also brings people together across time, language and backgrounds. Our musicians come from a range of backgrounds, musical styles and time periods.
