## ARE YOU THE NEXT **LIONESS?**

Having newly (re)established the club, our mission is to provide a **supportive, fun environment** for our members, and to make football accessible for all. As part of this mission we are aiming to establish some **girls football** teams at the club and are currently recruiting for female players aged 6 – 11.

Whether you are a seasoned professional or have never kicked a ball; if you are interested in joining a friendly local community club, developing **new skills** and making a few new **friendships** along the way, why not come down and join us?

While setting up girls football groups is a priority for us, we are **also welcoming boys aged 6-11** to join our current development squads.

# Message from Ofsted

Ofsted launched its '**Big Listen**' on 8<sup>th</sup> March until 31<sup>st</sup> May, a 12-week consultation on further inspection changes following the death of headteacher Ruth Perry.

See <https://www.gov.uk/government/consultations/ofsted-big-listen>

This comprises an online survey, which school staff, education organisations and parents are urged to complete. Ofsted Big Listen: children and young people will open later this month. Ofsted is keen to hear from children, learners, parents and carers through the Big Listen. The Big Listen seeks views right across its work, from schools and children's social care to teacher training and early years.
