## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Cluster events	We have attended more competitive cluster events. Giving the children experience of taking part and sportsmanship.	We have a really strong presence in all of the cross-country races. All years doing really well.
Sports Week – Sir Bob	The children took part in various sporting activities throughout the week, learning new skills, learning about making healthy choices, completing maths and literacy PE related activities.	Although this was funded by BM this was a really positive week. The children learnt so much and it created a sporting buzz around school.
Exposing children to different sporting activities Quidditch Cricket	Sparks excitement and motivates children to be active. The fact it was Harry Potter related encouraged those who may normally have been reluctant, to take part.	Really successful days.
Football matches – Cluster competition – Yr5/6 Yr ¾ girls	The children have benefitted from the experience of taking part in these competitive games.	Unfortunately, the cluster schools did not take us up on our offer of competitive matches during sports week. Arrange more for other year groups.

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	80%	<i>Cohort of 10 pupils including higher than average proportion of children with SEN 2 children aren't competent or confident swimmers</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	80%	<i>Two pupils are unable to use a range of strokes effectively.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>80%</p>	<p><i>Two pupils are unable to perform safe self rescue.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>N/A</p>	<p>We are currently looking at other options; Pop up pool, intensive swimming course.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>	<p>Children are taught at Thirsk Swimming Pool by qualified teachers. All children in school take part in yearly water safety sessions.</p>
