Experience and/or interests relevant to serving as a governor:	
<p>I am delighted to put myself forward for the role of school governor. I am passionate about supporting our children's development and education, and I believe that my professional background, international outlook, and leadership experience will enable me to contribute meaningfully to the work of the board.</p> <p>Having spent my formative years being educated on the continent, in Poland, Hungary, and Germany, I have experienced a diverse range of educational systems. I went on to complete my degree in Modern Foreign Languages and Education at King's College London (KCL), followed by a Master's in Business Economics from University College London (UCL). This combination of educational and economic studies has provided me with an understanding of how strategic thinking can support effective, well-rounded learning environments. I believe in helping every child reach their full potential while maintaining a healthy balance between academic progress, physical activity, and general wellbeing.</p> <p>Professionally, I have worked in the financial markets in London, in trading, stakeholder management, and strategic project delivery across the UK and Europe. I currently lead two purpose-driven businesses - one in holistic wellbeing and nutrition, and the other a circular fashion start-up, reflecting my long- standing commitment to innovation and accountability.</p> <p>I am particularly drawn to the role of governor because I value education as a foundation for lifelong success, wellbeing, and happiness. I'm eager to support initiatives that encourage academic excellence, resilience, emotional and physical development, and healthy living. I also value multilingualism and cultural awareness as vital tools to help nurture confident, curious, and capable learners.</p> <p>I am committed to undertaking the training necessary to become a good governor and am excited by the opportunity to work collaboratively with staff, fellow governors, and the wider community. I would be honoured to serve in a role that directly shapes the future of our children. Thank you for considering my nomination.</p>
