The history of the Trust is unfortunately a tragic one. The charity was set up in memory of our dear colleague and friend – Nicole Waterhouse, who was sadly taken away from us following tragic circumstances. The Trust offers help for children affected by war, catastrophe or a natural disaster in UK

As some parents and carers will know, I can often be found during weekends and holidays crewing for ultramarathon events.

During the late May bank holiday weekend I will be supporting Martin on his biggest challenge yet – a 200 mile non stop race from Hull to Helmsley. He's doing this to raise vital funds for a local charity – any donations gratefully received!

Thank you
Mrs Jackson :O)
