Our school is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

### **Aims to eradicate discrimination**

**Crayke CE Primary School** believes that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating a prejudice-free environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful
- Always treating all members of the school community fairly
- Developing an understanding of diversity and the benefits it can have
- Adopting an inclusive attitude
- Adopting an inclusive curriculum that is accessible to all
- Encouraging compassion and open-mindedness

We are committed to having a balanced and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination, and instead promotes inclusive attitudes. We will also respect the right of parents to withdraw their children from classes which pose conflicts to their own beliefs.

## **Dealing with prejudice**

**Crayke CE Primary School** does not tolerate any form of prejudice-related incident. Whether direct or indirect, we treat discrimination against all members of our school with the utmost severity. When an incident is reported, through a thorough reporting procedure, our school is devoted to ensuring appropriate action is taken and a resolution is put into place which is both fair and firm.

At **Crayke CE Primary School**, our pupils are taught to be:

- Understanding of others

Equality of opportunity and non-discrimination extends to the treatment of all members of the school community.

The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take

account of disabled persons' disabilities. Compliance with the duties in this section may involve treating some persons more favourably than others: but that is not to be taken as permitting conduct that would otherwise be prohibited by the relevant legislation.

All staff members are obliged to act in accordance with the school's various policies relating to equality.

We will guarantee that no redundancy is the result of direct or indirect prejudice. All disciplinary procedures are non-prejudicial, whether they result in warnings, dismissal, or any other disciplinary action.
